

A Message from Mrs Barker

Welcome back to everyone and a big hello to our brand new students, it is lovely to see all our smart children settling into school.

We look forward to seeing parents and carers at next week's curriculum meetings (see page 2), these are fantastic opportunities for you to find out what your child will be learning and how you can support them. You will also meet your child's teacher and be able to ask any questions. The curriculum newsletters will be uploaded to our website where you will also find other useful information.

Superstars of the Week Years 1-6

Well done for all your hard work, effort and great attitude

School Photos

Wednesday 19th September

Our photographer will be in school on this morning to take individual photos that you can purchase.

Please ensure your children are in the correct smart school uniform, including jumpers (they can either bring them in their bag or remove them afterwards)

WELCOME!

We would like to welcome our new members of staff and we are already enjoying working with them.

ATTENDANCE

Our school attendance target is 97% and any parents whose children fall below this figure will either receive a phone call, letter or be called into a meeting. The Educational Welfare Officer may also be present. Please can everyone help us to achieve our target by ensuring their children are on time and in school. If your child is 'under the weather' please be assured we will monitor them very closely and also administer Calpol and/ or Piriton (with your permission)

We know children can be genuinely poorly hence why our target isn't 100%

Due to government legislation any absence requests cannot be authorised and should you take your child out of school, a fixed penalty notice may be issued.

SCOTT SPORT REPORT

Year 6 played the first football fixture against Castle Newnham School on Tuesday. It was a completely new format for our boys as they now play 9 a side rather than 7. In difficult conditions Scott came up against a strong Castle team, however the boys played very well and just came up short by conceding a last minute winning goal. The score ended 3 - 2.

The player of the match award was given to Arman A who gave an outstanding performance.

Next Wednesday we have a home fixture against Westfield - please do come along and cheer on the boys!

The Year 6 mixed netball squad had their first fixture away at Sharnbrook Primary School on Thursday. This was to be a very exciting match which ended with a last minute winning shot. Amelie G and Hollie D led the team extremely well, fighting back from a 4-1 losing position, to winning the match 6-5. Sinead K played her first game for the school and won the player of the match award by all of her peers. What a fantastic result!

Handwriting Superstars

Well done to our children who have made an extra special effort with their handwriting

BUG CLUB

Please encourage your children to use Bug Club - this is a great online programme designed to help children with reading and comprehension.

Children are able to build up their rewards.

Their login will be in their reading record, Reception will get theirs later this term.

Curriculum Meetings

We hold these meetings at the start of every term so you can find out what your child will be learning and how you can support them. They are very informal and you have the opportunity to ask any questions.

All meetings start at 2.45pm (unfortunately we cannot start the North Pole ones later as some parents need to collect younger siblings from the South Pole). Please report to the office at either the North or South Pole.

- **Monday 17th September - Year 4**
- **Tuesday 18th September - Reception & Year 5**
- **Wednesday 19th September - Years 1 & 6**
- **Thursday 20th September - Years 2 & 3**

Curriculum newsletters will be sent home after and will be uploaded to our website.

We appreciate that you may have children in two classes with meetings at the same time, therefore we will swap them around next time

Times Tables Rock Stars

Our Year 2-6 children enjoyed a noisy assembly this week with Mr Holdsworth showing them Times Tables Rock Stars!

This is an online programme to help children learn their times tables in a fun way and to earn rewards. A parents user guide was sent home this week and the children are getting their logins now.

WELL DONE HOLLIE D!

Hollie won the age 10-12 age group in the Story Drawry competition held at The Art Centre and Gallery in the age 10-12 category. Her Harry Potter owl done in soft pastels received the most votes in the whole exhibition. She should be extremely proud of herself.

NORTH POLE CLUBS

Thanks to all the North Pole parents who completed the club forms. The office are working through them and confirmation will be sent over the weekend and Monday morning. Please bear with us as it will take time and some people will be notified before others.

If you have any queries from Monday afternoon, please contact Mrs Pearson in the office.

HOLIDAY CLUB - OCTOBER

Contact Miss Perkins to book your child into the October half term holiday club.

Long and short days, mornings and afternoons available.
