

A message from Mrs Barker...

Another busy week at Scott Primary School has seen the children busy with their learning and enjoying all of their new clubs, put on by the teachers and staff. I would like to thank all of the children for my lovely surprise assembly and the cards that they made me.

We also say a fond farewell to Miss Boswell and Mrs Pallister today, we wish you every success in your new jobs.

Sponsored Circuits Event—Year 2—6

Gold Medal winning Sprinter, Leon Baptiste, will be visiting Scott on Friday 26th January. He will be doing a sporting activity with all of the students from years 2 to 6. After the activities he will be presenting an assembly in our main hall. Please encourage your children to gain sponsorship for this event- letters have been sent home. We look forward to his visit.

Year 2 Circus Workshop

On Tuesday Year 2 had an exciting circus workshop! They had the opportunity to learn lots of circus tricks including feather balancing, plate spinning, diablos, juggling, flower stick twirling, ribbon work, stilt walking and lots more! The children showed great perseverance and determination to learn new skills. Finally the children gave a wonderful performance to each other of their favourite circus skill.
Fantastic work Year 2!

Happy Birthday Mrs Barker

This week Mrs Barker celebrated a special birthday. To surprise her all of the children learnt a song by her favourite singer, Rod Stewart. They then gathered together in the hall in secret, and called for Mrs Barker to come to the hall, before surprising her with the rendition of "Forever young" and presenting her with cards they had made.

Reception places—September 2018

We still have a few places left in our Reception classes for next academic year.

Please remind anyone with children starting school in September to complete their application form by 15th January and join the Scott Primary School family

We have started the new term off very well with new clubs and opportunities for the students. Numbers are increasing for each club and the students have enjoyed the variety of activities that the school are offering. I would like to take this time to once again thank all of the parents for their support with Scott Primary PE. We really look forward to the new terms lessons, clubs and fixtures.

Pizza at the Poles

Thursday the 18th January is Pizza at the Poles day. Make sure you sign up to have a school dinner on this day.
