SCHOOL DIARY

5th September	Years 1-6 Return to School
10th September	Nursery start date
10th September	Reception for previous Scott Nursery children return to school
12th September	New Reception children return to school

Elena (11) and Keyla (6) have let their hair grow for almost a year now with the intention of donating it to the Little Princess Trust, a charity that provides real hair wigs to boys and girls that have lost their own hair through cancer treatment.

On top of donating their hair, they want to raise £1000 for this charity to help towards the manufacturing costs of such a special item.

They are very committed to this initiative and have been campaigning in our local community in Bedford as well as in their school. We have set up an account on Just Giving to be able to reach everyone and hope for as much help as possible. I will post updates on this page, especially after they get their hair cut next Tuesday 24 July.
