

Squirrel's

English

As communicators we will:

- Talk to each other and take turns
- Recall events
- Tell how we feel and why

As readers we will:

- Read story books
- Read non-fiction texts about gardening

As writers we will:

- Write sentences about our Squirrel rules and ourselves
- Write targets we'd like to set ourselves

Maths

As mathematicians we will:

- Use the calendar
- Measure and count when we are making models
- Count, estimate and measure when we make snack
- Begin to use addition and subtraction vocabulary

Design Technology and Art

As design technologists and artists we will:

- Draw and paint self portraits
- Decorate a biscuit as a self portrait
- Make bird feeders
- Make a Feelings tree
- Design and make placemats for snack time

New Beginnings

Autumn 1

Outdoor Learning

- Treasure Hunt in the woods
- Gardening

The Six Principles of Nurture are drivers which inform planning:

- Children's learning is understood developmentally
- The classroom offers a safe base
- The importance of nurture for the development of well-being
- Language is a vital means of communication
- All behaviour is communication
- The importance of transition in children's lives

Computing

- Bug Club
- Word processing skills
- 2 Draw package

Snack Time

We will:

- Develop language, communication and social skills
- Take turns
- Share the jobs and the food
- Work together as a team

Social and Emotional Development

We will learn how to:

- Take turns and work together
- Know that we can have similar and different opinions
- Make the classroom safe for everyone
- Celebrate success

At home together you could:

- Help set the table and tidy away
- Plant a seed to look after in your garden
- Find a baby photo to bring in and tell us a fact about you as a baby
