

English

Children will use Time Travel as a stimulus for their writing in a range of different genres. They will then look at writing based around Grimm's Fairy Tales.

Maths

Children will be encountering a range of mathematical concepts this term, including decimals, shape and space, ratio and proportion and measurement.

Science

Children will be looking at human anatomy in Science. We will look at different bodily systems and how they work.

Year 6 Spring Term Curriculum Newsletter

Aztecs

Geography

In geography children will be learning about the location of the Aztecs and where they travelled before settlement.

RE

In RE the children will be looking at the Islamic Faith and will be learning about the Five Pillars of Islam

History

In history, children will be learning about how the Aztecs lived and plotting key dates of the Aztecs on a timeline.

Design and Technology

In DT children will be planning and making Mexican recipes to follow their topic of the Aztecs.

PHSCE

In PHSCE children are learning about sexual education. They will learn about puberty, reproduction and relationships.

Art

In art children will be sketching Aztec Gods and creating their own sugar skull art work.

French

In French we will be looking at shopping. We will learn all about clothing in French and will learn how to purchase items of clothing.

How you can help at home

Please help your child by doing the following:

- *Read frequently with your child and ask them questions about what they have read**
- *Help them to learn their spellings and times tables facts**

All children have a MyMaths log-in and a Bug Club log-in within their planners which they can use whenever they like at home.
