Welcome

Year 5 pupil transition into Year 6

“We have happy and enthusiastic children, who enjoy learning.”

Our Mission Statement

Our school provides a safe, caring, friendly and welcoming environment where every child matters and every child is unique. We value individuals. We make learning fun, encouraging originality through delivering a broad and balanced curriculum accessible to all. This ensures that our children are given the best opportunities to succeed in all they do enabling them to reach their full potential.

Together with our parents and the local community we take pride in our children's positive attitudes towards their work and each other. We encourage our children to take responsibility and to be independent; building life skills to enable them to succeed now and in the future.

“We create an atmosphere in which all children feel secure, wanted and appreciated.”
