The Impact of the Support

Sports Coaches ensure that all children from Years 1-4 have the opportunity to be taught a range of sports skills by a specialist – Premier Sport Coaching

The lunchtime clubs ensure that even more children engage in physical activity to promote well-being.

The membership of the Bedford Borough Sports Partnership allows our children the opportunity to take part in sports competitions with children from different schools – Multi-skills Festivals.

Annual Health & Fitness week gives children access to a wider range of alternative sports and activities to engage in.
