

A message from Mrs. Barker...

Welcome back to all of our families. I do hope that you all managed to have an enjoyable Summer.

I am so proud of how well all of our children have settled into life at Scott Primary. There have been many changes over the Summer and our Year 6 children have adapted brilliantly, providing excellent role-models for our younger children. A huge well done to our younger children for embracing life back at Scott across both the North and South Pole sites.

School Clubs

We are pleased to offer a variety of different clubs for both KS1 and KS2 children in the mornings, at lunch time and after school. Please see the reverse of this newsletter for the clubs we will be running. Letters will be going out soon with the clubs' start dates so please look out for them.

We would like to welcome all of the new staff members who have joined us over the summer. You have all settled in really well and have embraced school life at Scott.

School photographs—Our photographers will be coming in on **Wednesday 20th September** to take each child's school photo. Please ensure they are in correct uniform and have lovely smiles for their wonderful pictures.

No session 3 Scotties on Friday 20th October.

The club will finish at **4:30pm**. Please ensure you have made suitable arrangements.

Please remember to sign up to ParentMail to receive all the latest news from the School. We use this as our primary method of contact.

If you need any help, please speak to a member of staff in the school offices.

Medicines in school

Please can we remind parents that if your child needs medication in school, it must be prescribed by a doctor and to be given 4 times per day.

If your child needs an inhaler or epipen in school, please arrange for one to be in the school offices.

Glue sticks and Tissues

If you would like to make a kind donation to the school of glue sticks and tissues the class teachers would very much appreciate this. We are coming up to winter so tissues are essential and glue sticks are used for a lot of work within school.

Please bring to the school offices if you wish to do so.

School Councillors

The children have been leading successful campaigns this week to represent their class for the school council. We are pleased to introduce the following children to this year's School Council. We look forward to your new ideas and the hard work you will provide for the school.

Congratulations!

Road Safety

Please can we ask parents who drive to school to do so slowly. The school grounds are extremely busy at the beginning and end of the school day with children and parents crossing the road. We also ask that you do not park on the yellow lines as this has caused obstructions on site and does not allow the traffic to flow.

We encourage parents to use the side gate on the North Pole site to bring your children in. This is now open each day.

Road Safety

Start of the School Day

Please be aware that children must be in school before registration closes. If your child is late, they must come in to the main offices to sign in.

North Pole Site—Registration closes at 8:40am

South Pole Site—Registration closes at 8:45am

It is important to have your child in school on time to ensure that they do not miss any valuable learning.

Meeting your child's Teacher

If you would like to meet with your child's class Teacher, then you are more than welcome to, however, for Health and Safety reasons, please come to the school offices and arrange a time or ask to speak to them before or after school.

For safeguarding purposes, we cannot have parents / carers in the school building without being signed in. This is to protect the children.
