This is a fantastic programme that is fun and engaging for children, and we would like to invite parents / carers along to see what it is all about.

A big thank you to all of the parents who kindly donated their old school uniform to Mrs Janet Reddy. The uniform provided clothing for an Orphanage in South Africa and was gratefully received by the children.

Myself and Mrs Reddy are proud to be part of such a kind and caring community that have generously shared with others—Thank you!

Year3—Evacuation day!

This week the children in Year 3 have been enhancing their topic for this term by experiencing life as an evacuee.

The children took part in Wartime dances, an air raid alert and made their own gas masks.

Fun was had by all—including all of the teachers who took part in the dancing!

Year2—Super Hero day!

Year 2 had a very exciting superhero day! First Mr Incredible had sent the children a special mission to follow clues to help him find his missing pets in the woods. The children were very successful at helping Mr Incredible to find his pets! In the afternoon the children worked together to create a superhero headquarters for the Incredibles. What an amazing day!
