

Squirrel's

English

As communicators we will:

- Talk to each other and take turns
- Listen to each others opinions
- Say how we feel and why

As readers we will:

- Listen and take in stories—Hungry Caterpillar, Oliver's fruit salad, Oliver's vegetables, Lighthouse Keepers lunch.

As writers we will:

- Recount the story of the Hungry Caterpillar using simple sentences
- Keep a healthy food and exercise diary

Maths

As mathematicians we will:

- Use the calendar
- Use fractions to cut our fruit
- Learn the days of the week and months of the year
- Count, estimate and measure when we make snack

Science, Art &

As scientists, design technologists and artists we will:

- Sort healthy foods and treats
- Make a fruit kebab and smoothie
- Use vegetables to print
- Grow vegetables in our gardens

Healthy Me

Summer 1

Outdoor Learning and Visits

- Visit Tesco to buy fruit
- Use exercise to keep us healthy
- Have a healthy picnic outside

The Six Principles of Nurture are drivers which inform planning:

- Children's learning is understood developmentally
- The classroom offers a safe base
- The importance of nurture for the development of well-being
- Language is a vital means of communication
- All behaviour is communication
- The importance of transition in children's lives

Computing

- Bug Club
- Word processing skills
- Listen to stories on the IWB and audio station

Snack Time

We will:

- Develop language, communication and social skills
- Take turns
- Share the jobs and the food
- Work together as a team

Social and Emotional Development

We will learn how to:

- Take turns and work together
- Know that we can have similar and different opinions
- Make the classroom safe for everyone
- Celebrate success

At home together you could:

- Continue the Healthy food and exercise diary over half term to bring back to Squirrels and share
- Measure plants you have grown
- Share the cooking of healthy meals with your family
