

Year 4

Essential Knowledge

By the end of this unit children will:

- Know that Ancient Greece was not a country and that it was made up of city states.
- Identify and explain what life was like for different people who were enslaved during ancient Greek times.
- Describe how Alexander the Great grew an empire resulting in the Greek civilisation spreading more widely.
- Identify Greek legacy and know that the Olympics were first held in ancient Greece in 776 BC and that democracy began in around 508 BC.
- Be able to name some ancient Greek gods and goddesses.
- Know that the Spartans were known for their strong army and ability to fight and the Athenians were known for their cultural developments and learning.
- Identify and describe the differences between life in ancient Athens and ancient Sparta.
