NEWSLETTER

FRIDAY 14 OCTOBER

Message from Mrs Barker

What a busy fortnight it has been! A huge congratulations to Peake Class for their fabulous assembly, the children have clearly enjoyed learning all about the Anglo- Saxons and the Vikings. Thank you to all the parents who came to support.

We are very much looking forward to seeing you for "Consultation Evening" next week. I am delighted that we will be holding these face to face in our school halls. Please arrive a few minutes before your appointment time to allow you enough time to look through your children's work books. I am sure that you will be very impressed with how hard your children have been working.

It was great to see the "Walking Bus" up and running again this week. Not only is it a great way to reduce the emissions around our school, it is also a great way to keep fit. Well done to all the children who joined us and a huge thank you to our volunteers. If you would like your child to join the "Walking Bus" on a Friday morning, please complete a consent form and send it into the office.

Year 5 are continuing to enjoy their weekly keyboard lessons. I am so impressed with how much progress they have made.

PTA AGM

Tuesday 18th October, 7.30pm

This will be held at the Nouth Pole (entrance through the staff room door in the car park).

We look forward to seeing many new faces. If you have any question, please contact the school office.

Everyone is welcome

Scotties and Friday afternoon club

Bookings for up until Christmas will open in half term (a Parentmail will go out when it's open).

If you pay with your tax-free account, please email the office by Thursday 20th October as we are unable to process them in half term.

Remember - there is no afternoon Scotties or childcare on Friday 16th December

Friday Coffee Mornings

Mrs Rycraft and Mrs Weerasirie are holding coffee mornings for parents and carers every Friday morning at 8.45am.

This is a chance to meet us and other parents and get together for a chat over a cuppa.

They are at the South Pole in a classroom towards the top of year Year 1&2 path. Someone will be on hand to show the way

The month of October is traditionally Black History month, but at Scott, we'll be celebrating our diversity all year through the arts and in our lessons with special activities and visitors/trips. From Bollywood Dancing to Islamic geometric art, to the music of Dai Wei, every child at Scott will enjoy an exciting and inclusive curriculum.

As part of our diverse curriculum, we are also celebrating the poetry of our new Children's Laureate, Joseph Coelho. In the next few weeks, children in Years 1 – 6, will bring home one of his poems to learn by heart. In school, they will learn how to perform this poem to their friends and classmates. Some children will then take part in a school competition, performing to parents and children from other classes/year groups.

Tower of London

Year 6 enjoyed a trip to the Tower of London as part of their crime and punishment topic.

They all had a fantastic time and behaved beautifully and were a credit to our school
