

Message from Mrs Barker

The final week of term has been a very busy one!

Fiennes class impressed us all with a fabulous assembly about the Tudors. The Year 4 children showcased their musical skills during a fife, dood & recorder concert. Our Year 3 children entertained us with their ukulele playing and our Year 6 children 'wowed' us with their steel pan skills. I was so proud of how well all the children performed. A huge thank you to everyone who came to support the children.

A real highlight of the term was the brilliant Reception Easter Basket and Bonnet parade. Some of our youngest children entertained us with their fabulous singing and proudly paraded around the hall wearing the most extravagant Easter Bonnets and carrying decorated baskets. What an excellent way to end the term.

As always I would like to thank you all for your support during this term and I wish you and your families a safe and peaceful Easter break.

DIARY DATES

April

17 - Staff training day

18 - Children back to school

24 - Class and Caterpillar school photos

We say goodbye to Mrs Baird, our Year 6 Teaching Assistant, today.

She is moving to a new job where she can work from home. Thank you for all your hard work and we will miss you.

Year 3 and 4 were excited to help Mrs Barker open the new MUGA. The children counted down to the grand opening and enjoyed playing in the new space. They will all have the chance to play football or basketball in this area each break and lunch time.

SUPERSTARS

YEARS 1-6

YEAR 1

Ashton G & Vedika D

YEAR 2

Ada G & Eleanor B

YEAR 3

Chloe M, Stanley P, Davis
W, Skye B, Anika J
& Edward P

YEAR 4

Zak W, Chelsea M,
Stevie W & Zhane C

YEAR 5

Jude A, Zak B, Soham J,
Amelia D, Alan G & Henry G

YEAR 6

Isla H, Anabella M,
Victoria A, & Harry N

Message from the PTA

You raised an incredible £814.20 for the mufti and 'Break the Rules' day. This will be split between Comic Relief and our PTA.

A big thank you to everyone involved in the Mother's Day shops. The children really enjoyed it and we all raised £375.

Thank you

Science Week - Connections theme

To begin Science Week, we had an assembly which was delivered by the science ambassadors looking at different connections we could see in our everyday lives.

Finally, we went to a science fair which was organised and delivered by the science ambassadors. They had a number of experiments for us to try out which covered different aspects of science. We finished the session with some outdoor experiments – Coke and Mentos experiment and elephant toothpaste!

In year 3 the children had a wonderful time playing with forced perspective.

They used the iPads to act out what it would be like to be a borrower, making some normally small things large.

We were very excited to unveil the new play equipment at the North Pole
