

## **Message from Mrs Barker**

We have had such a super start back after half term.

This week started with children in Years 2, 3, 4 & 6 watching "The Secret Garden" performed by M & M Theatre Company. The singing, acting and scenery was amazing and the children were absolutely captivated by the performance.

Key Stage 1 and Key Stage 2 Sports Days were a great success, albeit a little bit warm! The children participated brilliantly in all of the activities and we owe Mr Allen a huge thank you for organising both events.

What an absolute treat it was to watch Cygnets Class Assembly this week! I was so impressed with the confidence that our Reception children showed during their assembly and with their sheer enjoyment of the whole thing!

Year 3 enjoyed their time with some volunteers from Impact this week, they were were taught a variety of strategies to encourage reflection and calm times.

A massive thank you to all the helpers who came and counted the number of bounces our children did during the Sponsored Bounce event, we really are very grateful
