

Message from Mrs Barker

We have had another thoroughly exciting fortnight.

Year 5 children enjoyed a Viking Day which consisted of foraging outside for natural resources to make shields and following a Viking recipe.

Our Year 6 children continue to enjoy their weekly dance workshops.

A huge thank you to those parents who have expressed an interest in our parent governor vacancy, I will be in touch shortly to explain the next steps in the election process.

Wishing you a lovely weekend.

SUPERSTARS

YEARS 1-6

Jake J * Stanley P * Romeo J * Elektra L * Naila N

* Isla T * Mark T * Taylor W * Rosey D * Theo D *

PARKING & DRIVING

We have already received several complaints regarding dangerous driving and inconsiderate parking.

For the safety of everyone, including your children, please drive and park with care and consideration.

Please also ensure you are respectful to everyone, including our neighbours.

Scott Primary PFTA

The PFTA will soon be arranging the AGM whereby the current committee stand down & a new one is elected.

Currently the PFTA committee comprises of 2 staff members, 1 'friend' & 1 parent but 3 of these are unable to stand again. Therefore we need parents/carers to take on the committee roles.

We are sending a Parentmail with information and for you to express your interest or request more information.

The current committee will ensure there is a thorough hand-over and will be on hand for help and advice if needed.

Five-time world record holder in speed skipping, Pete Thompson aka 'Skip Beatz' visited our school.

The pupils and staff were engaged through the dynamic and explosive performance by the skipping ninja, with a clear message that positive choices are superpowers.

The assembly was also the launch of a larger project involving the West Beds schools working in partnership with 'exercise behaviour' of which Pete Thompson is the founder, to deliver customised exercise programmes linked to each schools behaviour, rewards and values systems, supporting over 2000 children over this academic year.
