

Scott Primary School: E-Safety Skills and Knowledge Organiser

Year Four:

Key Vocabulary:

* Accuracy, advantages, advertisements, belief, bot, chatbot, computer, distractions, fact, hashtag, implications, in-app purchases, influencer, opinion, program, recommendations, reliable, risks, screen time, search results, snippets, sponsored, trustworthy.

Key Skills– by the end of the Year:

- Understanding why some results come before others when searching
- Understanding that information found by searching the internet is not all grounded in fact.
- Learning to make judgements about the accuracy of online services.
- Identifying forms of advertising online.
- Reflecting on the positives and negatives of time online.
- Identifying respectful and disrespectful online behaviour.
- Recognising that information on the internet might not be true or correct and that some sources are more trustworthy than others.

Previous Knowledge:

- Recognising how social media platforms are used to interact
- Recognising that different information is shared online including facts, beliefs and opinions.
- Learning how to identify reliable information when searching online.
- Learning how to stay safe on social media
- Considering the impact technology can have on mood.

Key Knowledge – by the end of the Year:

- To understand some of the methods used to encourage people to buy online.
- To understand that technology can be designed to act like or impersonate living things
- To understand that technology can be a distraction and identify when someone might need to limit the amount of time spent using technology.
- To understand what behaviours are appropriate in order to stay safe and be respectful online.
