

Message from Mrs Barker

Dear Parents/ Carers,

Welcome back. I hope you had an enjoyable Christmas break. The children have settled back into school life beautifully and have made a great start to 2024.

As you read through our newsletter, you will see how very busy the children have been already. I would like to say a huge thank you to all those parents who came into school to support with the themed historical days. I know that the children had a fabulous time and these days that immerse the children into a "time gone by" really cement the children's understanding of the past.

Get active together, have fun and earn rewards for school.

Download the Street Tag app before February 7th when the leaderboard resets, and join the Scott Primary Team.

<https://streettag.co.uk/>

You record distance walked, ran or cycled by scanning virtual tags with your phone at various locations, and climb up on the school's leaderboard.

We welcomed our youngest children in Caterpillars and they have all settled in very well.

Year 3 were transported back to an ancient Egyptian market where the children were able to make canopic jars, perfume, perform mini mummification and paint tomb pictures. They enjoyed a banquet and were musicians, dancers, story tellers, servants & our royal courtiers.

Year 4 enjoyed starting their Ancient Greece topic by trying pitta bread, green and black olives and feta cheese. They listened to Greek music whilst looking at Greek pots and designed their own. Finally the children learnt how to read and write in Greek.

Year 2 had an amazing Victorian Day where they learnt all about what life would have been like 'above' and 'below' stairs. They also enjoyed taking part in recreating a Victorian Music Hall with a range of acts, including acrobats, mind readers and strong men!

The Digital Leaders have been working with children in Reception to help to teach them how to use programmable beebots! They visited at lunchtimes and made the sessions interesting and fun whilst teaching the key skills of basic programming. The Reception children enjoyed spending time learning a new skill and 'playing' with the big children!

Nursery enjoyed a visit from Author Suki Kaur who came to Nursery to read her new book 'Is That Paras' Turban'.
