

Outdoor Learning
At Scott Primary School,
we are all explorers.

What is
Outdoor Learning?

The background of the slide is a repeating pattern of stylized green leaves and branches on a light green background. A dark green rectangular box is centered on the slide, containing the text. A small, solid green rectangle is positioned at the top center of the dark green box.

*Outdoor Learning is any learning
that takes place outside of the
classroom in nature.*

Why is
Outdoor Learning
important at our School?

We believe it is important to

- *Care for the environment.*
- *Take on challenges and build resilience.*
- *Use our teamwork and communication skills.*
- *Move our bodies and be healthier.*
- *Know that we can improve our wellbeing by spending time outdoors.*

What are our
Scott Outdoor Learning
rules?

- 
1. We listen to adults and follow instructions.
 2. We stay within the given boundaries.
 3. We do not pick living flowers or plants.
 4. We leave nothing behind but footprints.
 5. We take nothing but memories.
