A message from our Headteacher

Mrs Anita Barker

I am immensely proud to introduce you to our school, which provides a nurturing, happy and stimulating learning environment, where every child feels valued and secure. Guided by our motto, ***"Inspire, Believe, Achieve"***, we place our children at the heart of everything we do, nurturing both their academic success and their personal development.

We have happy, enthusiastic children who love learning and dedicated, caring and inspirational staff, who ensure that each and every child is treated as an individual, whilst having high expectations for all. At the heart of Scott Primary is a strong sense of belonging. We are more than just a school – we are the Scott family.

We believe that education works best when school and home work together: you know your child better than anyone and we look forward to building a positive relationship with you. We are proud of our positive relationships with our parents and our strong links with the local community. We share your aspirations for your child and want the very best outcomes for them.

Choosing the right school for your child is one of the most important decisions you will ever make and I hope this brochure will provide you with a glimpse of what life at Scott Primary is like, but why not come and see for yourself? You are very welcome to come and visit and see and feel what it means to be part of the 'Scott family'.

Together, we can give your child the very best start.

VISITOR
Jen
SCOTT

Nursery

Ages 3+

"A love of reading is a core priority from the moment children join Nursery." ***Ofsted June 2024***

At our nursery, we believe that the early years are the most important years of all. For children aged 3 and 4, our nursery provides a safe, nurturing, and inspiring environment where curiosity is encouraged and confidence grows every day.

Beginning their learning journey with us helps children develop a strong foundation for school and for life. Through play-based learning, children build essential skills such as communication, independence, problem-solving, and cooperation.

Our carefully planned activities support early literacy and numeracy while allowing children to learn naturally through exploration, creativity, and fun.

Children are funded for 15 hours from the term after they turn 3 years of age and we accept 30 hour funding.

Our Classes

- Caterpillars
- Butterflies
- Ladybirds

CONSTRUCTION
AREA

Reception

Ages 4-5

"Early years pupils get off to a strong start. The learning environment is calm, purposeful and well-resourced. Children are settled, happy and intent on learning."

Ofsted June 2024

In our Reception Year, we provide a curriculum filled with wonder and meaningful experiences across our two classes – *Chicks* and *Cygnets*.

Children benefit from a stimulating environment both indoors and in their own dedicated outdoor area, which includes its very own pirate ship and climbing equipment, designed exclusively for Reception. This space offers exciting opportunities to explore, investigate and be active in their learning. Across all areas of the Foundation Stage Curriculum, we nurture curiosity, encourage challenge and adventure, and foster a genuine love of learning.

Our Classes

- Chicks

Our Facilities

“Pupils make good use of the school’s well-equipped grounds at breaktimes. They enjoy socialising with each other or playing games with adults and trained pupil ‘playground pals’ ***Ofsted June 2024***

Across both the North and South Pole sites, our children benefit from having space which enables us to work in smaller groups, this supports personalised teaching and ensures that our children receive the attention and support they deserve.

Our sensory rooms at both the North and South Pole sites, promote wellbeing and support our children’s emotional and sensory needs.

We are fortunate to have two well-resourced libraries that provide a diverse selection of books, helping to inspire and cultivate a lifelong passion for reading.

In addition, our large media and ICT Suite supports high quality digital learning and helps our children to develop the essential skills for an ever-evolving digital world.

Set within grounds of nearly 30 acres, including 8 acres of beautiful woodland, our school provides a calm and inspiring backdrop for our children to learn, explore and grow. These natural surroundings provide wonderful opportunities for exploration, outdoor learning and developing curiosity about the world around us.

“The school has invested in maintaining two well-stocked libraries, which pupils love to visit regularly”. ***Ofsted June 2024***

Key Stage 1

Ages 5-7

"The school cares deeply for pupils and knows their needs well"

Ofsted June 2024

Our younger children, from Nursery to Year 2 (ages 3 – 7), are based in our smaller building, fondly known as the South Pole site.

This calm, nurturing space provides a gentle start to school life, allowing our children to build confidence, independence and a love of learning in a secure and supportive environment.

Our staff take the time to truly know every child as an individual: their strengths, their interests, and how best to support them. This ensures that every child feels valued, understood, and confident to be themselves.

Our Classes

- Year 1: Bumblebees | Rabbits
- Year 2: Hedgehogs | Owls

Wireless

Key Stage 2

Ages 7-11

“Pupils willingly engage with the school’s insistence on respectful, considerate conduct in class and around the school. They behave well”. ***Ofsted June 2024***

As our children move to Key Stage 2, from Year 3 to Year 6 (ages 7 – 11), they transition to our larger building, fondly known as the North Pole site. This move acts as an important stepping stone towards secondary school, helping our children to develop resilience, responsibility and readiness for the next stage of their education. Our North Pole site is well equipped with specialist facilities including a cookery room, sports hall, modern science laboratories and a dedicated art room, allowing learning to come alive through practical, creative and hands-on-experiences.

“Pupils are well-motivated learners. They strive to meet teachers’ high expectations”

Ofsted June 2024

Our Classes

- Year 3: MacArthur | Coleman
- Year 4: Fossey | Lambert
- Year 5: Byrd | Fiennes
- Year 6: Fields | Hillary

Physical Education

PE

Physical Education at Scott Primary School is exceptional. Children benefit from outstanding facilities, including a spacious sports hall and vast playing fields, providing the perfect setting for a wide range of sports, games, and outdoor learning.

From Year 1 to Year 6, our experienced PE teacher inspires pupils to build physical skills, confidence, teamwork, and true sporting spirit. Our commitment to excellence is officially recognised with the prestigious Platinum PE Award, reflecting the breadth and quality of our sports provision. With a good variety of extra-curricular sports clubs and a busy calendar of competitive fixtures, pupils have endless opportunities to represent the school in district leagues, competitions, and festivals to develop a lifelong love of sport and fitness.

Our Core Aims in Physical Education

Inclusivity: Encourage an active, welcoming environment where every child is empowered to lead a healthy lifestyle.

Growth Mindset: Encourage resilience, ambition, and positive attitudes towards sports and physical activity.

Values-Led Learning: Seamlessly embed our core school values into the PE curriculum.

Physical Literacy: Build foundational movement skills to ensure all pupils are physically competent, confident, and motivated.

Whole-School Wellbeing: Enrich mental and physical health through movement—learning to move and moving to learn.

Clubs & Enrichment

Something for everyone

Beyond the classroom, we offer a wide range of clubs run internally and by external providers. These include sports, technology, cookery and performing arts to name but a few! We ensure that there is something for every interest.

"Many pupils enthusiastically participate in a well-planned programme of enrichment experiences. These include an array of lunchtime and after school clubs, including sports, music and science"

Ofsted June 2024

Scotties and Holiday Club

Scotties is our breakfast and after-school club led by our team of dedicated staff. All children from Nursery to Year 6 are able to access Scotties. We also offer childcare during some weeks at Easter and summer in our Holiday Club.

At Scott Primary, bright and bold,
A place where stories and dreams unfold.
With curious minds and hearts that try,
We reach for stars up in the sky.
We **inspire** each child to learn and grow,
With kindness and courage in all that we show.
We **believe** in ourselves, in what we can be,
Building a future for all to see.
Together we learn, together we strive,
Helping every young mind to thrive.
And every day we proudly **achieve,**
Because at Scott Primary...
We **Inspire, Believe, Achieve.**
